The films selected by the P.E.C will be of very little interest to the rural public. Has any instruction been given regarding the selection of films? Are there no films about India.

13/6

With reference to the D.S's query above, it is submitted that a set of documentary films were sent to the P.E.O, Gandhigram and the other P.E.Os were asked to indent on the P.E.O, Gandhigram for their requirements. Vide

(2) Memo. No. 53093 D1/54-2. dt. 11-6-54.

Besides, certain 16 m.m. films received from the Films Division, Bombay free of cost, have also been supplied to the PEOs and BDOs. Apart from these, no other instructions appear to have been issued regarding the selection of films. It is also submitted that it is not known whether the documentary films referred to above will be suitable for the 35 m.m. film strip Projector. It is however for orders whether the PEO, Mangalore may be asked to suggest some other films about India, which could be indented for from the Films Division and supplied to the P.E.O. Regarding the battery asked for by the PEO, he may be asked to send separate proposals with its exact cost. For orders.
